

RCT&HS Year 2016

Reading Railroad Calendar

The RCT&HS Year 2016 railroad calendar is now available featuring the photographs of Dale W. Woodland. Dale began taking black-and-white photos with a Kodak Brownie Holiday Camera in 1952 starting at Abrams Yard near Bridgeport, PA where trains stopped to set out and pick up cars as his camera was unable to photograph moving trains. A move to Lansdale after marriage allowed frequent photography of trains on the Bethlehem Branch. Once the Reading became part of Conrail in 1976, Dale continued photographing of railroads on former Reading Company tracks. The operation of the remaining FP7's and T1's have helped to keep his interest alive. Dale has been fortunate to add the Reading collections of Bob Wanner, Ed Weller, and Wilmer Hendricks to his collection.
